The BelEtage

A place full of history — where you and your guests can feel truly at home. Whether you're planning a reception, dinner, family celebration, workshop, strategy meeting, or concert, our spaces offer the perfect setting for special occasions. We would be delighted to host your event.

Built in the late 19th century by the Razumovsky family, the palais was conceived from the start as a place for connection, exchange, and culture. In 2024, it was carefully renovated with great attention to detail. Today, it elegantly blends history with modernity — inviting guests to come together and create memorable moments. The entire BelEtage is available for your exclusive use. Depending on the seating arrangement, the space accommodates up to 150 guests for receptions, gatherings, concerts, or talks.

For festive occasions, we provide a variety of options — from intimate dinners in the dining room for up to 24 guests at a long table, to larger, more formal events. When the dining room, grand salon, and foyer are combined, we can accommodate up to 90 guests for a seated dinner.
